

5-for-5 Reading

Test Two

Creakington Castle

Are you fed up of living in the busy city? Is the lack of height on your home getting you down? Do you want that WOW factor when unsuspecting visitors show up unannounced? If your answer is 'yes', then we at Villainous Villas have the perfect property for you.

Set at the top of an ominous and mysterious hill, Creakington Castle can only be accessed via a dark and foreboding forest. The current owner tells us that the path which leads to the castle entrance attracts a steady rate of weary travellers throughout the year. With the topmost tier being almost entirely shrouded by clouds, Creakington Castle offers the kind of privacy that you'll struggle to find in most modern homes. In addition to the dungeons, skeletons and pre-creaked doors already installed at Creakington Castle, the inside provides the kind of unsettling silence that only the finest castles can produce.
