

Robert Arkenstall Primary School Plan for Remote Learning

In the event of school closure, we will be striving to provide the children with regular access to the curriculum, in order to continue their education in the best way we can. The following email provides details of what the children will be expected to complete at home for the duration of any closure. Thank you to all parents who filled in our technology audit. We are reassured that most families will be able to access home learning on a pc, laptop or Chromebook. If you are unable to access one of these devices please get in contact the school office, as we have the facility to loan families refurbished Chromebooks for the duration of any closure.

- EYFS children will bring home an activity pack. Their teachers will be contacted directly by emailing **eyfs@robertarkenstall.co.uk**
- KS1 children will be set work on Purple Mash and Mathletics. They will be set at least one English and maths task a day, plus one other task, as well as reading with an adult. They may also be set a phonics task. They will also bring home a learning log style menu of offline tasks to complete. KS1 Parents will be able to contact their child's teacher directly by emailing **ks1contact@robertarkenstall.co.uk**
- LKS2 children will be set work on Purple Mash and Mathletics. They will be set at least one English and maths task a day, plus at least one other task. They should also be using Times Table Rockstars daily and Spelling Shed daily, as well as reading with an adult. They will also bring home a learning log style menu of offline tasks to complete. Parents will be able contact their child's teacher directly using **Class Dojo**.
- UKS2 children will be set work via Google classroom. This may be a link to a Purple Mash task, work to complete in Google, or a Mathletics task. They will be set at least one maths and English task a day, and at least one other task. They should also be using Times Table Rockstars and Spelling Shed daily, as well as reading with an adult. They will also bring home a learning log style menu of offline tasks to complete. Parents will be able to contact their child's teacher directly using **Class Dojo**.
- The AR system will be made available to children in KS2 to use during school hours so that they can continue to take quizzes.

- Year 5 and 6 children will be able to use Google Classroom throughout the day to communicate with their class teachers and peers, in order to ask questions, clarify work or ask for specific help with a task. The Google classroom chat area should be kept clear solely for this purpose for the duration of the school closure.
- In order for Year 5 and 6 children to stay in contact with peers and discuss work, Google Chat will be made available for them to use, subject to relevant online safety teaching. Other children will be able to communicate with their teachers and peers using Purple Mash.
- Each day, teachers will review the work that has been completed, comment on it, and return it to the children.
